![Volunteers of America — OHIO & INDIANA]

Building stronger communities.

We believe in helping all people reach their full potential. For over 125 years, our work has continued to touch the mind, body, heart—and ultimately the spirit of those we serve. Volunteers of America (VOA) is a national, faith-based nonprofit organization dedicated to helping those in need live healthy, safe, and productive lives. Through thousands of human services programs, including housing and healthcare services, VOA helps over a million people across the country and thousands throughout Ohio and Indiana.
